## To Whom It May Concern

This certifies that from August 16, 2022, to December 31, 2023, **Md. Tamzid Hasan** son of **Tofazzal Hossain** worked as a **Research Assistant** at the NSU Global Health Institute (NGHI). We observed him to be sincere, honest, diligent, skilled in analysis, committed, and professional during his employment.

His major responsibilities during his working period were:

- Transcription and translation of qualitative survey data
- Proposal and questionnaire development
- Preparing a budget for the research project
- Field survey, data monitoring, and data entry
- Both quantitative and qualitative analysis
- Data cleaning, analysing and drafting report.
- Grant proposal writing for the fund and development of the project
- Manuscript writing for publication

He has a pleasant disposition and good character. We wish him every success in life.

Sincerely,

**Azaz Bin Sharif, Ph.D.**  
**Director (Acting)**  
**Global Health Institute**
